12 September 2023

LTP/04/2023

Dear Parents/ Guardians

Letter to Parents – Term 4 2023

Warmest greetings to you! I would like to take this opportunity to thank parents and guardians for the strong partnership and support for your child/ward throughout the year in their journey of holistic development with Outram.

Term 3 Updates: Persevere, Inspire, Celebrate

1. Developing core values and shaping citizens with good characters through Camp Grit

From 29 to 31 May, a group of adventurous students attended a 3D2N camp at Dairy Farm Outdoor Adventure Learning Centre to build mental resilience, independence and teamwork. From the meaningful activities conducted such as taking turns to lead nature hikes, night walks and conquering the high elements, participants were given the opportunities to demonstrate emotional strength and persevere in the face of challenges. They learnt to be resilient, appreciate diversity and work well with others.

Most importantly they learnt the important life skill of making appropriate choices, developed a sense of responsibility to take proper care of oneself and showed concern for others. The final day of the camp culminated with students preparing a tea reception for school leaders and their parents. They planned their own menu, bought their groceries, prepared the meals and served the guests. Outramians have truly demonstrated what it takes to be a citizen of good character!

2. Conversation Series with Distinguished Speaker – Mr. Chade-Meng Tan

On 28 June, Outram had the honour of having Mr. Chade-Meng Tan, an author, philanthropist and motivator, as our first distinguished speaker in our series of "Conversation Series with Distinguished Speakers". Mr. Tan, known informally as Meng, was previously employed at Google and greeted celebrities who visited the Google Campus. He retired from Google as its "Jolly Good Fellow" at the age of 45. He shared many nuggets of wisdom through the engaging stories from his former Google days and life experiences. It was truly an impactful and inspiring for our students and teachers alike!

3. Recognizing leaders of today, empowering leaders of tomorrow

CCA Recognition Day

On 30 June, we celebrated CCA Recognition Day. On this day, each outgoing leader from every CCA took a moment to share the wisdom they gained through their unique journey as student leaders. They shared insights drawn from their personal experiences, illuminating the path for future leaders.

A heartfelt thank you goes out to all our student leaders. Your remarkable contributions and leadership have been instrumental in nurturing your peers. Through your guidance, you've equipped them with vital skills, core values, and the right attitude, fostering their growth into active contributors to both their respective CCAs and the school.

Student Leaders Investiture

“Be the change you want to see.” The theme for this year’s Student Leaders’ Investiture, held on the 26 July, serves as a powerful reminder to all Outramian student leaders to serve with conviction and purpose, modelling the way so that others can also become the best version of themselves.

We bid a fond farewell to our inspiring Secondary 4 and 5 leaders who have shown dedication and resilience in their service to the school. We also ushered in a new generation of leaders, formally investing them in their respective roles as they took the stage and recited the Student Leader’s Oath in a rousing chorus of voices, showing their commitment and determination to lead as one united team. We look forward to the new team of student leaders to build a thriving and supportive school community!

4. Celebrating our strengths in diversity, passion and commitment

MOE Edusave Awards 2022

Our Outramians were presented with their MOE Edusave Awards 2022 by their Form Teachers to celebrate their overall efforts for last year.

Thank you to all teachers for guiding every student to reach their full potential.

Heartiest congratulations to all the awardees!

Sports and Games Carnival

On 4 August, students and staff of the five different houses (Anderson, Buckley, Raffles, Swettenham and Young) got together for fun-filled games. A sense of community bonding was fostered through the bringing of people together from different backgrounds with a common passion for sports and games. Besides the traditional sports like Frisbee, Volleyball and Basketball, students also pit their wits against each other in games like Battleship and Sudoku.

The participants learnt about teamwork and it was a great opportunity to build the camaraderie among the housemates. The sense of friendly competition prevailed throughout the carnival. While the participants were striving to win, the emphasis is also on fair play and respecting the opponents. The various houses supported and cheered their hearts out for their housemates, creating a lively and encouraging atmosphere.

National School Games (NSG)

We continue to cheer our athletes as the National School Games concluded in Term 3 for all divisions. Congratulations for the excellent efforts and determination put in to achieve a commendable set of results. As we close the chapter for NSG 2023, let's look forward to an even more exciting NSG 2024!

5. Developing future-ready citizens through ECG programmes

From 26 to 28 June, the students participated in the Applied Learning Module (ApLM@ITE) offered by the Institute of Technical Education. They are a taster of possible educational progression and career pathways, which enable students to make more informed choices upon graduation from secondary schools.

The ApLMs helped students discover their interests and provide them with applied learning. Going through the modules also enable students to make informed decisions in the next step of their academic pursuit or their career path. Outram students from the Sec 2 to 4 classes had the opportunities to take part in different fun and hands-on modules such as Fun with Home Networking, Beauty Services, A Taste of Art & Service of Cooking, Creating a 2D computer game, Cruising into Maritime Industry, Design And Build Your Own Glider and Fitness For Life.

6. Celebrating as one united school, one united nation

National Day Celebrations

"Onward as One" is this year's National Day theme, calling upon all of us to move forward into the future as a united community that is resilient and willing to help one another. It was an honour that students and staff from No.5 Middle School, Deyang, China joined the celebrations and their performances were greeted with ecstatic cheers and applause.

The celebrations took on an interactive mode when the students demonstrated their impressive knowledge of the nation through games and quizzes. It was fitting that during one of our segments in the National Day Celebrations, a group of students who have demonstrated citizenship through volunteering shared their experiences with the school, inspiring others to become active citizens as well! The celebrations ended with a rousing finale when everyone was galvanised to sing and sway to a medley of National Day songs. As we celebrated the nation's 58th birthday, we are reminded of the message: Moving forward together, Onward as One.

Teachers' Day

Teachers' Day was celebrated on 30 August with much appreciation and gratitude for our teachers and staff. Our students put up a concert showcasing their talents in dancing and singing. The inclusion of teachers participating in a talk show to share their inspirations for becoming educators added a personal touch to the event. The skit performed by both students and teachers, conveying the message of recognizing and leveraging each child's strengths, is a valuable lesson that everyone can take to heart.

Written heartfelt messages from the students in recognition of the teachers' care, concern, and efforts were displayed beautifully. Our teachers and staff deserve a big THANK YOU for their indomitable spirit and persistence, living out the education belief to nurture and bring out the best in every child.

7. Building partnerships and being an active citizen in a globalized world

Visit by Sejong City Office of Education, South Korea

On 20 July, we had the pleasure of hosting a group of educators and students from Sejong City Office of Education, South Korea. The day was packed with enriching activities, starting with a warm welcome and sharing by our School Leaders, followed by an exciting school tour. Our engaging classroom lessons sparked curiosity and learning, while the cultural exchange performance brought us all closer together with an energetic display of well-executed Taekwondo moves by our guests, celebrating our diverse backgrounds. Our Outram buddies did a wonderful job hosting our Korean counterparts with enthusiasm and had meaningful exchanges during the short visit.

Visit by No.5 Middle School, Deyang, China

Between 4 – 8 August, we had the privilege of hosting dedicated educators and enthusiastic students from No.5 Middle School, Deyang ,China. The guests spent an enriching time attending multi-cultural lessons and activities with their buddies, allowing them to fully immerse themselves in the diverse tapestry of cultures led by our MTL (Mother Tongue Language) teachers. They embarked on a learning journey to Kampong Glam and Haji Lane, joined us for Sports and Games Carnival and celebrated National Day with the school. The exchange between the two schools were promising with many exciting plans for more collaborations in the future.

Visit by Metropolitan Foundation for Private Schools, Japan

A delegation of Japanese educators graced us with their presence on 23 and 24 August. The Japanese educators, hailing from diverse educational backgrounds, brought with them a wealth of experience and innovative teaching methodologies. Our school leaders warmly welcomed them with a sharing of our education system and there were many enriching conversations between the educators. Meaningful discussions ensued as they participated in activities conducted by the Entrepreneur Club and Robotics Club, observed a Business Studies lesson, and attended a dialogue session. The interactive sessions throughout the visit provided a platform for sharing best pedagogical practices and fostering cross-cultural understanding. The visit by the Japanese educators underscored the significance of global educational partnerships. As we bid farewell to our esteemed guests, their insights and the connections established during their visit continue to motivate us to continually strive for educational excellence and international collaboration.

Term 4: Review, Reflect and Rechart

1. Academic and Assessment Matters

Secondary 1 – 3

As we prepare your child/ward for the upcoming school examinations, we would really appreciate if you would partner us in closely monitoring your child/ward's revision schedule. In doing so, we would like parents/guardians to encourage and affirm your child/ward for their efforts. The End-of-Year Examination for Sec 1, 2 and 3 will be held from 2 October (Monday) to 12 October (Thursday). The Examination Timetable can be found at the school website.

Sec 3ENA Bridging Programme

The Sec 3ENA Bridging Programme, which comprises timetabled lessons, is very important in preparing your child/ward for his/her studies in Sec 4. It will take place from 30 October to 3 November. Students will be informed with the Sec 3ENA Bridging Timetable at a later date.

Marking Day and Promotion Day

Marking Day is on 13 October (Friday) and Promotion Day is on 23 October (Monday). Students need not report to school on these two days.

2. Graduating Cohort Matters

National Examinations

The graduating cohort of 2023 will be sitting for the national examinations. You may refer to the SEAB website for information of the examination dates or you may refer to your child/ward's entry proof for the information.

Graduation Day and Prom

To mark the significant milestone of our graduating cohort, a graduation ceremony will be held for our Secondary 4 and 5 students in the school on 29 September from 11:00 am to 12:30pm. All graduating students are to report to school at 7:30 am on that day for lessons.

In celebration of their secondary school journey with Outram, a Graduation Prom will be held in their honour in school on 10 November from 2:30 pm to 5:30 pm.

Last Day of School

The graduation cohort will be released for their study breaks at the following dates respectively. The last day of school for the various levels are as follows:

Level	Dates
Secondary 4NT/ NA	29 September, Friday
Secondary 4E/ 5NA	
Secondary 1 – 3	27 October, Friday

We wish our graduands all the best in their preparation for upcoming examinations.

3. Calendar of Events and important Exam Dates for Term 4

The calendar of events, important key school events and National Examination dates for Term 4 is appended for your perusal.

4. 2024: Moving forward, forging ahead

In 2024, the school timetable structure will follow a 10-day cycle with BL@Home scheduled on Fridays as shown.
